SEWING SPECIALTY

“THE EXCITEMENT IS PALPABLE!”

Mrs. Hadassah Zelman
ZELMAN SEWING STUDIO

As one of the Orah day campers peeked into the SEWING SPECIALTY room & saw me setting up the sewing machines the day before we started, she enthusiastically said, “I thought we’d be learning to sew by hand!”

As I encouraged the campers, “Please thank the Orah Day Camp Directors for the quality, state-of-the-art new sewing machines, one for each camper.”

Each girl already learned how to use the machine, practiced sewing a seam with a knot and with a goal to IY”H sew her own pillow!
