LIVE IT UP EXPO

One of the highlights of Camp Orah is our incredible Live It Up (LIU) Division, where campers discover new passions while building real-life skills. After weeks of learning in exciting workshops—including dance, hair styling, jewelry making, painting, sewing, face painting, and food art—they proudly showcased their talents at our spectacular LIU EXPO. Even more exciting, LIU campers had the chance to share their new skills with fellow Orah campers. The LIU EXPO is a true celebration of creativity, confidence, and incredible things our campers can achieve.
